FAST, EASY, **FREE** SAMPLE SHIPPING!

Northeast Laboratory Services is happy to announce a new service available to our all of our valued customers to better serve your needs and help to ensure water tests arrive at the Laboratory in a timely manner. We are now able to offer shipping services to our Winslow Laboratory from four UPS Stores around the State!

You may drop your samples off at:

- ❖ UPS Store #3296 located at **499 Broadway, Bangor, ME**
- ❖ UPS Store #3338 located at **135 Maine Street, Brunswick, ME**
- ❖ UPS Store #3340 located at **216 High Street, Ellsworth, ME**
- ❖ UPS Store #2040 located at **235 Camden Street #32, Rockland, ME**

Samples delivered to any one of these stores, Monday through Friday, will be automatically packaged and shipped to our Winslow Lab for immediate analysis. **There is no cost to you, postage is on us!**

Samples delivered Monday through Thursday prior to 5pm will be sent out UPS ground that same day. Samples delivered on Fridays **must arrive** prior to 3:30pm in order to go out via USPS priority for Saturday delivery to the Winslow Lab. All samples will be forwarded (radon samples included) to the Winslow Lab as UPS deliveries arrive next-day at 10am. NEL operates an in-house daily courier to deliver these samples to the Westbrook Lab that same day.

Samples may also be delivered to either of our Laboratory Facilities:

- **227 China Road, Winslow, ME** (by 11:30am for same-day transfer of Radon samples to the Westbrook Lab)
- **120 Main Street, Westbrook, ME** (by 2:30pm for same-day transfer of water samples to the Winslow Lab).

Samples may also be dropped off at *Focused Property Inspection's* Gorham office located at **347 Main Street, Gorham, ME** (by 1:30pm for same-day transfer to NEL).

If you have any questions please feel free to call me at 207-873-7711 extension 307 or e-mail me at zsmith@nelabservices.com.

Thank you for choosing Northeast Laboratory Services. We appreciate and value your continued business and further thank you for choosing our Local Maine-Veteran owned company for all of your analytical testing needs.
