

Northeast Laboratory Services, Inc. Expands Sales Division

Northeast Laboratory Services, Inc. announces the addition of Sabrina Gormley as Account Executive.

Northeast Laboratory Services, Inc. (NEL) a Maine-based Environmental Analytical Testing Laboratory and Prepared Culture Media Manufacturer is pleased to announce the addition of Sabrina Gormley to its Sales Management and Marketing Teams. Ms. Gormley will be responsible for driving revenue through customer retention and new customer relations, as well as sales leadership.

Ms. Gormley's previous role was the West Coast Territory Sales Manager at Puritan Medical Products in Guilford, Maine. While there, she managed customer relations and product counseling. She also gained experience shadowing the marketing department and assisting with tradeshow planning.

Melissa Higgins, Northeast Laboratory Services, Inc. VP and CFO, states : "We are delighted that Sabrina has relocated to the area and has joined Northeast Laboratory as our Account Executive. Her experience in medical devices as well as establishing and maintaining customer relationships are assets to our organization. We believe our customers will find the same comfort level in their interactions with Sabrina as we have."

Northeast Laboratory Services, Inc. has been providing chemistry and microbiology analytical services for over 47 years and continues to grow its customer base and services offered. NEL offers a wide variety of residential testing services as well as an extensive line of prepared culture media products with customization options available upon request. NEL has two facilities, one located in Winslow and one in Westbrook, Maine.
